NAL Worldwide Continues To Expand Their Business Development Organization
*NAL Accelerates Grow Plans with the Addition of Glenn O'Brien and Dan Moran to the
Business Development Team*

Addison, Ill., September 26, 2006 – NAL Worldwide, a leading provider of solutions that address complex supply chain problems, has announced 2 key additions to the business development organization. Named to the new position of Vice President, Supply Chain Solutions – Communications, Glenn O'Brien will lead sales efforts with network operators, equipment manufacturers, and other key players in the communications industry. Dan Moran has joined the team as Vice President, Business Development - Communications.

“We are extremely pleased with the additions of Glenn and Dan”, said Chris Lennon, Senior Vice President, Supply Chain Solutions. “Their breadth of experience and industry knowledge is critical for developing industry specific solutions that are geared towards issues in the fast paced communications industry. We view this as a critical channel for growing our business and look forward to their contributions.”

Glenn O'Brien, Vice President, Supply Chain Solutions - Communications

Glenn O'Brien has an exceptional background in leading teams and growing profitable revenue. Glenn joins NAL from Andrew Corporation where he was the Director of North American Channel Sales. Prior to that, he held senior level sales and marketing positions at Somera Communications and Tellabs. Mr. O'Brien holds a B.A. in Political Science from the University of California at Santa Barbara.

Dan Moran, Vice President of Business Development - Communications

Dan Moran has spent his career driving profitable new business opportunities in the communications industry. Dan joins NAL from Somera Communications where he was Area Vice President, Wireline. He has also held several senior sales management positions at Nortel and Motorola. Mr. Moran holds and M.B.A. in Marketing from the Keller Graduate School of Management and a B.A. in Marketing from Saint Mary's University.
