NAL WORLDWIDE EXPANDS EXPERTISE IN THE HEALTHCARE SECTOR

*NAL Further Develops the Healthcare Sector with the Addition of
Gerie Goodstone and Kristy Mouser to the Supply Chain Solutions Team*

Addison, IL, January 10, 2007 – NAL Worldwide LLC, a leading specialty logistics solutions provider has announced two key additions to the Supply Chain Solutions Sales Team. Gerie Goodstone and Kristy Mouser have just been named to the positions of vice president, Supply Chain Solutions – Healthcare. In their new roles, they will co-lead sales efforts targeted at developing comprehensive solutions for the healthcare market segment.

“We are extremely excited about the additions of both Gerie and Kristy to NAL’s solutions organization, said Chris Lennon, senior vice president, Supply Chain Solutions. “They bring a wealth of experience in the healthcare sector that positions us well to aggressively grow this key market segment and continue to develop creative solutions for our customers.”

Gerie Goodstone, Vice President, Supply Chain Solutions - Healthcare

Gerie is a seasoned healthcare veteran with over 20 years of industry experience. She joins NAL from Toshiba America Medical Systems where she was most recently the director of healthcare business development. Prior to that, Ms. Goodstone held senior level sales positions at Unilab and was the principal and founder of Corporate Health Planning, Inc. Gerie holds an MA from Hunter College and a BA from the University of Pittsburgh.

Kristy Mouser, Vice President, Supply Chain Solutions - Healthcare

Kristy has spent her entire career developing and selling solutions that benefit the healthcare industry. She joins NAL from KRYPTIQ Corporation where she was the vice president of sales. In addition, Ms. Mouser held senior level sales positions with Cardea Partners and Aventis Pharmaceuticals. She holds an MBA in finance from North Texas University and a BBA in accounting from Texas Christian University.
